Operational Plan	Anne Roest New York State Division of Criminal Justice Services
eJusticeNY Integrated Justice Portal	Dennis Gaige New York State Police
Closing Thoughts and Questions	Larry Hammond New York State Division of Parole

IJAB Organization

IJAB Vision

“To improve the administration of justice and homeland security by providing authorized users, from all levels of government, access to available comprehensive justice and homeland security information when and where it is needed.”

IJAB Organization

- **IJAB Board**
- **Integrated Justice Technology Unit**
 - **Architecture**
 - **Network**
 - **Identity Access Management**
 - **Portal Infrastructure**
- **Work Groups**
 - **Security**
 - **Finance**
 - **Project Management**

Collaborative Efforts

Collaborative Efforts

- **Why working together is better than working apart:**

Collaborative Efforts

- Improved organizational focus.

Collaborative Efforts

- **Improved interagency communication.**

Collaborative Efforts

- **Shared vision/accomplishments.**

Operational Plan

Operational Plan Goals

- **Thinking outside the box.**

Operational Plan Goals

- **Improve access to criminal justice systems through a new Integrated Justice Portal.**

Operational Plan Goals

- **Develop a business model to facilitate integration of criminal justice information and technology.**

Operational Plan Goals

- **Develop a technical model for enterprise standards for criminal justice services to facilitate agency efficiencies and future consolidation efforts.**

Integrated Justice Portal Initiatives

- **Create standards for Portal applications.**
- **Provide single sign-on for all Portal services.**
- **Implement a highly available system with disaster recovery capability.**
- **Provide seamless services to our customers, including enrollment services and help desk support.**

Business Model Initiatives

- **Centralize – central Integrated Justice technology group supports shared services and applications.**

Business Model Initiatives

- **Coordinate – initiatives or programs that have cross agency impact are coordinated by the IJAB.**

Business Model Initiatives

**Show me
the money!!!**

- **Collaborate – identify opportunities to share technologies, increasing buying power and maximizing resources.**

Technical Model Initiatives

- **Standardize technologies to simplify management and allow for easier integration.**
- **Focus on high availability and disaster recovery of our critical systems.**
- **Co-locate and consolidate systems to reduce costs.**

eJusticeNY
Integrated Justice Portal

What is the eJusticeNY Integrated Justice Portal?

The eJusticeNY Integrated Justice Portal Project is a statewide initiative to improve the administration of justice by providing authorized users with quick, secure and easy access to all available public safety and criminal justice information by providing the following:

What is the eJusticeNY Integrated Justice Portal?

- **One-stop shopping for all justice-related information.**

What is the eJusticeNY Integrated Justice Portal?

- ▶ **An integrated approach to the sharing, exchange and dissemination of information.**

What is the eJusticeNY Integrated Justice Portal?

- ▶ **Able to extend, expand and enhance.**

Vision

NYSPIN and Legacy eJusticeNY A Brief History

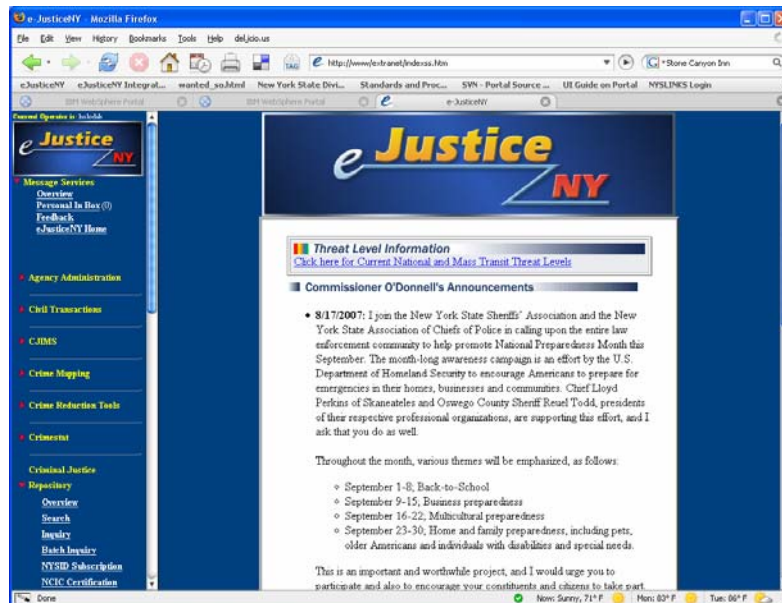

New York State Police Information Network (NYSPIN) (700 agencies and approximately 50,000 users)

- **Inquiry/Response system for the “cop on the street”**
- **Entry for “hot files” (wanted, stolen vehicles, etc.)**
- **Used for other applications (State Ready, Jails Population)**

NYSPIN and Legacy eJusticeNY A Brief History

Legacy eJusticeNY Portal
(1,600 agencies and
42,000 individual users)

- Criminal History
- Fingerprints
- Sex Offender Registry
