Special Issues

7th Annual Top 25 (March)

Recognizes 25 leaders in the public and private sector who are pushing the boundaries of government-as-usual through the application of technology.

Harvey AdQ® Study (October)

Advertisers receive a free evaluation of their ad effectiveness by Harvey Research Inc.

17th Annual Corporate Profiles (December)

Resource for IT buyers showcasing the leading technology providers in the marketplace. Advertisers receive a free profile page.

Digital Communities Magazine (March, June, September, December)

Poly-bagged quarterly with *Government Technology* and direct-mailed to additional local government readers, *Digital Communities* explores the urgent challenges facing localities, and how the effective utilization of technology is helping to solve them.

Government Technology maintains the largest bonus distribution of any state and local publication, giving you thousands of additional readers at key trade shows, conferences and forums. Contact your sales representative for details.
