

## ENHANCE YOUR MOTOROLA BRUTE™ i680 EXPERIENCE

### MOTOROLA ENDEAVOR™ HX1

Make and take calls in extreme wind and noise. Made with the same technology used by special military forces around the world.

### MOTOROLA H17 Universal Bluetooth® Headset

The smallest, lightest flip switch headset ever. Dual microphone technology cancels background noise for clear communication on both sides of the call.

### MOTOROLA H790 Universal Bluetooth® Headset

Motorola's thinnest headset yet. Enjoy exceptional sound quality on both ends of the conversation with CrystalTalk™ noise cancellation technology.

### MOTOROLA T325 Advanced In-Car Speakerphone

Automatically turns on when you get into your car and off when you get out. Bing 411 provides one touch access to driving directions, weather, movies, sports, stock quotes and more.

## MOTOROLA BRUTE™ i680

Certain mobile phone features are dependent on the capabilities and settings of your service provider's network. Additionally, certain features may not be activated by your service provider, and/or their network settings may limit the feature's functionality. Always contact your service provider about feature availability and functionality. All features, functionality and other product specifications are based upon the latest available information and are believed to be accurate; however such product specifications are subject to change without notice or obligation.

- (1) Military Spec 810F certified for blowing rain, dust, shock, vibration, temperature extremes, low pressure, salt fog, humidity and solar radiation.
- (2) Network and/or SIM card dependent feature, not available in all areas. Airtime, data charges and/or additional charges may apply. Wireless email functionality requires an email account with wireless server capabilities.
- (3) This device supports Bluetooth A2DP, HSP, HFP, SDP, DUN, OBEX, PBAP, AVRCP, BPP, FTP and OPP profiles. In order for Bluetooth devices to communicate with one another, they must utilize the same Bluetooth profile. To determine the profiles supported by other Motorola devices, visit [www.motorola.com/bluetooth](http://www.motorola.com/bluetooth). For other devices, contact their respective manufacturer.

Certain Bluetooth features including those listed may not be supported by all compatible Bluetooth-enabled devices, and/or the functionality of such features may be limited in certain devices, or by certain wireless carriers. Contact your wireless carrier about feature availability and functionality.

# TALK GETS TOUGH.

MOTOROLA BRUTE™ i680

Sprint

HELLOMOTO®

Hang tough with MOTOROLA BRUTE™ i680, Motorola's newest rugged handset by iDEN. BRUTE will make a mockery of the elements, staying protected against blowing rain, dust, shock, vibration, temperature extremes, low pressure, salt fog, humidity and solar radiation<sup>1</sup>. Rubberized molding and textured grip make MOTOROLA BRUTE hard to put down and even harder to drop. Trusted Nextel Direct Connect<sup>®2</sup> features and military spec certification<sup>1</sup> gives you the reliable connectivity and confidence to take MOTOROLA BRUTE anywhere your work demands.

### BEST AGAINST MOTHER NATURE'S WORST

Mil Spec<sup>1</sup> standards give the best protection against the weather's worst. A muscle-solid design of rubberized molding and textured materials fits comfortably and feels secure in your hand.

### MAY THE WORKFORCE BE WITH YOU

Reliable Nextel Direct Connect<sup>2</sup> services including Direct Talk and Direct Send keep your workforce close and your family closer, with the touch of a button. Exclusive Nextel Direct Connect<sup>2</sup> features let you get the most out of your conversations. Instant, one-to-one push-to-talk communications are ideal for quick, to the point conversations while Group Connect<sup>®</sup> allows you to coordinate activities with up to 20 other Nextel subscribers all at once. Get the word out to groups of up to 200 people at once with Talkgroup<sup>SM</sup>.

### EASY MESSAGING AND MORE

GPS<sup>2</sup> keeps you where you need to be while IM-style texting<sup>2</sup> and a unified view of your inbox bring popular messaging features to the push-to-talk experience. Stereo Bluetooth<sup>®3</sup>, built-in music features, and a 2.0 megapixel camera with flash and 4x digital zoom will keep you upbeat while on the job. Also, goetagging photos makes sure you have an accurate record of exactly where in the world you took them, and loud audio and dual microphones for noise cancellation keep conversations clear even when the background isn't.

### KEY FEATURES

- Mil Spec<sup>1</sup> certified for ultimate toughness against Mother Nature. Rubberized molding makes for easy gripping in all climates.
- Keep in touch with your workforce and family using exclusive Nextel Direct Connect features<sup>2</sup>.
- Enhanced PTT capabilities include Converting a Push-to-Talk call to a Voice Call, and Call Completion, which allows you to send a text message to the other user if busy.
- Stereo Bluetooth<sup>®3</sup>, GPS<sup>2</sup>, 2.0 megapixel camera, music and IM-style texting<sup>2</sup> help you stay upbeat while on the job
- Extended battery life
