SIM Interface

Battery specifications: Removable/Rechargeable 1400 mAh Li-ion battery.

Display: High-resolution 320x240, 65K color TFT LCD display.

Features

Direct Connect® – Instant, one-on-one push-to-talk communication nationwide with any other Nextel Direct Connect subscriber. Ideal for quick, to-the-point conversations with families, friends and co-workers.

Group Connect® – Communicate or coordinate activities with up to 20 other Nextel Direct Connect subscribers all at once – nationwide, quickly and easily. Create and manage groups dynamically on your smartphone. Group Connect participants must all have Nextel Direct Connect capable Nextel phones that have the Group Connect feature.

International Direct Connect™ – International Direct Connect Calling lets you instantly connect from the United States to users in other eligible countries including Canada and Mexico. In addition, International Direct Connect Roaming lets you make and receive push-to-talk calls while traveling in those countries.

BlackBerry® Email – Push technology delivers messages automatically to your BlackBerry smartphone. Supports your business and personal email with up to 10 email addresses.

GPS support – Built-in capabilities for assisted and autonomous GPS.

Built-in Wi-Fi – Wi-Fi technology provides a high-speed data connection between the smartphone and nearby Wi-Fi access points for easy mobile connectivity. Customers can connect in public, enterprise and residential Wi-Fi venues. Allows for simultaneous use of data services while on a voice call.

Expandable memory via microSD – Add memory for larger work files or transfer music, photos and video from your desktop. Cards up to 16GB supported; sold separately.

Additional messaging services – Chat using your favorite instant messaging programs, send and receive multimedia messages (audio, pictures, text, or all three in the same message) to email addresses and capable phones.

Bluetooth 2.0® – When used with compatible Bluetooth-enabled accessories, including stereo headsets, Bluetooth allows fast, secure transmission without cables or wires, even though the two devices are not in line-of-sight. Compatible Bluetooth-enabled wireless accessories sold separately.

Multimedia – 2.5 mm stereo headset jack and advanced media player for viewing pictures and playing music, videos voice notes and ringtones.

Attachments – DataViz® Documents to Go® makes it easy to edit Microsoft Word, Excel and PowerPoint documents directly on the smartphone. Numerous other popular file formats, including PDFs, can also be viewed on the go.

Productivity tools – View and update your calendar, schedule appointments, check your task list and more while on the go. Also includes a calculator, alarm clock and memo pad.
